

## 2024 Visiting Artist Residency

Sloss Furnaces Foundation hosts three 8-week visiting artists throughout the year, typically in the summer (June-Aug) and fall (Sept-Nov).

This program is designed for emerging and mid-career artists interested in developing their studio practice and honing technical skills. Visiting Artists will be provided with a furnished apartment near Sloss Furnaces, all casting materials, and 24 hr. access to our sculpture facilities in Sloss' historic casting shed.

Visiting Artists are expected to have a final exhibition at The 600 at the conclusion of their residency. The majority of the work is to be displayed for up to a year, with the option to sell throughout the exhibition (15% of sales to Sloss, 85% of sales to the artist).

Artists are asked to donate one piece from their residency to Sloss Furnaces' permanent collection.

Residency Dates: Summer 2024, Fall 2024. Dates flexiable.  
Sloss Furnaces Foundry. Birmingham, AL

Program Benefits:

- 24 Hour Foundry Access
- \$1,000 Stipend
- Furnished Apartment
- All Casting Materials (excluding bronze)
- Exhibition at The 600 at the end of the residency

Application Deadline: Summer Applications Due Friday, March 15th, 2024
